

**REMARKS**

Claims 3-9, 12-18, 23-36, 41-44 and 46-73 were previously withdrawn from examination. Elected claims 1, 2, 10, 11, 19-22, 37-40 and 45 are canceled without prejudice. Applicant may pursue the subject matter of the canceled claims in this or other related applications.

Applicant has voluntarily amended the present application to present new claims readable on the elected Combination-Subcombination 2, directed to the interconnector structure for a magazine data storage element of the restriction requirement dated October 3, 2005. These new claims, claims 74-93, add no new matter. Applicant further notes that this voluntary amendment is not made for any reason related to patentability of the present application, but rather simply to clarify the claimed invention.
